PRINCIPAL'S MESSAGE

We are excited to begin a new year at Promontory Elementary. I have been so impressed with the staff, students and families in my first week at this school. This is a great community!

The first newsletter is always a good time to let our families know what we are all about. This newsletter contains a lot of information about our expectations and school rules. At Promontory we strive to address the whole child - heart and mind - and we believe in our motto **Strong Learners, Kind Hearts**.

School Growth Plan

Here are the goals that our school has been working on for the past year and which we will continue to address:

Goal 1- All students meet or exceed grade level expectations in literacy and numeracy

Goal 2- To enhance personal and social responsibility

Goal 3- To foster, develop and enhance quality partnerships

to improve students' experiences and learning outcomes

Goal 4- To foster a positive, respectful workplace culture and sense of community

Goal 5- To align resources to efficiently and effectively execute the strategic plan

We also value open communication between the school and home. My door is open, and I encourage you to stay in close contact with your child's teacher. You can email any of us at any time, and we will return your email as soon as we can. This is a good way to set up meeting times that work for the teacher (it is usually too busy at the start of school to have a proper conversation).

It is going to be a great year....

Mr. C. Bloch

COMMUNICATION PROTOCOL

Sometimes you may have a concern with something you may have observed, something your child comes home and tells you or perhaps something you hear other parents talking about. In our school district the first step is to speak to the person you have a concern with. If it's the classroom teacher, go to the teacher, let them know what your concern is and give them an opportunity to explain. This is a respectful process and 99% of the time, the situation is cleared up at that level. If it is not resolved, then you are welcome to come and speak to Ms. vanDalfsen or myself.

If you have general concerns about the school, please feel free to come and chat with me. I know parents may have some concerns or need some clarification but experience has taught me they have some good ideas and solutions too. I welcome the opportunity to chat. I am not always in my office so sometimes the best thing to do is to email me chuck_bloch@sd33.bc.ca and we can set up a meeting time.

***ALLERGIES – PROMONTORY IS A PEANUT AWARE SCHOOL

Please ensure that you have made your child's classroom teacher and the office **aware of any life-threatening allergies**. **Students that require Epi-pens must wear a fanny pack at all times** with their Epi-pen and other medication in case it is needed. This will ensure that the Epi-pen is immediately available in the

event it is needed.

We have a number of students with **Nut allergies**. We ask that families help us keep these students safe. If you send peanut butter, peanuts or peanut products to school, your child may be asked to eat outside of the classroom.

PLEASE NOTE IT IS VERY IMPORTANT THAT PARENTS MAKE THEIR CHILDREN RESPONSIBLE FOR THEIR OWN SAFETY; THE FIRST LINE OF SAFETY LIES WITH THE CHILD AND THE KNOWLEDGE THEY HAVE TO KEEP THEMSELVES SAFE.

MEET THE STAFF NIGHT

Please join us on Thurs. Sept. 19th from 5:00-6:30. The school is open 5:00-5:30 and your child is welcome to show you where their classroom is. The teachers will be in the rooms so you are able to meet him/her. It is not a time for discussions about your child's progress or to talk about concerns. If you'd like to do that, please set up a meeting time with the teacher. At 5:30-6:30 we will be serving up hotdogs along with our Community School partners. It's a fun night and we hope you can join us.

STAFF UPDATE

New and returning teachers:

Mrs. E. Johnston/Mrs. C. Colceriu (Kindergarten)

Mrs. L. Plummer (Grade 2 and PE)

Mrs. K. Vogt (Grade 2)

Ms. D. Boucher (Grade 2/3)

Mrs. C. Penner/Mrs. A. Ackerman (Grade 5)

PARKING LOT

Our parking lot is a busy place and we encourage our students and families to Move to School by walking, biking, etc. You can park a block away and walk to school. It's a great way to start the day, is better for our environment and keeps you healthy, too. Carpooling is also highly recommended. We know some families need to drive so please read on...

On Wednesday our K students begin a full day. There are 100 of them and many of them will be getting picked up and dropped off. All K drivers please pick up and drop off in the K Lane. If you wish to get out of your vehicle and walk to get your child, you will need to park on the road and walk in. If you are very lucky you may find an empty space in our front lot. If there is an empty space in the afternoon it is open for parents. The back lot is Staff only. There is no sidewalk back there and it is not safe to have drivers in that lot.

All students are to be picked up and dropped off at the curb. Please do not let children out in the middle lane as they will be running out into oncoming traffic. At the end of the day, please do not stop in the middle lane and call them over. They will be running out into traffic and cutting in front of the

K drivers who may be exiting their lane. The Gr. 1-5 lane is along the curb at the end of the parking lot near the exit. When you see your child standing at the curb, ready for pickup, please drive in and pick him/her up. If your child is not there, please circle around and try again. This makes space for other drivers who have a child waiting there. The lot does clear out quickly, and this system works as long as no one stops and parks. Then it gets messy. Please make sure you and your children use the sidewalks. We are working hard to keep your kids safe. Thank you so much for your patience with this.

ROUTINES AND EXPECTATIONS

Many of the routines and expectations listed here will be found on our website under parent information. Please refer to our website for further details at <https://promontory.sd33.bc.ca/>.

PROMONTORY CODE OF CONDUCT - ATTACHED

Each year we review our Code of Conduct and it can be found on our website. The **Fair Notice below** provides information for parents regarding when a school may initiate a Threat Assessment process. Thank you for reviewing our Code of Conduct with your child(ren).

FAIR NOTICE

The Chilliwack School District and community partners are committed to making our schools safe for students and staff. As a result, schools will respond to all student behaviours that pose a potential risk to themselves, other students, staff and members of the community.

Student threat assessment protocol: Fair Notice

What behaviours initiate a student threat assessment?

A student threat assessment will be initiated when behaviours include, but are not limited to, serious violence or violence with intent to harm, kill, verbal/written threats to harm/kill others, Internet website/MSN threats to harm/kill others, possession of weapons (including replicas), bomb threats and fire setting.

Duty to Report

To keep school communities safe and caring, staff, parents, students and community members must report all threat-related behaviours.

What is a threat?

A threat is an expression of intent to do harm or act out violently against someone or something. Threats may be verbal, written, drawn, posted on the Internet or made by gesture. Threats must be taken seriously, investigated and responded to.

What is a Threat Assessment Team?

Each school has a Threat Assessment Team which is multi-disciplinary. The team may include Principal, Vice Principal, District Resource Teacher, School Counsellor and Police.

What is the purpose of a student threat assessment?

The purposes of a student threat assessment are 1) To ensure the safety of students, staff, parents and others. 2) To ensure a full understanding of the context of the threat. 3) To understand factors contributing to the threat makers' behavior. 4) To be proactive in developing an intervention plan that addresses the emotional and physical safety of the threat maker. 5) To promote the emotional and physical safety of all.

What happens in a student threat assessment?

All threat making behaviour by a student shall be reported to the Principal who will activate the protocol for the initial response. Once the teach has been activated, interviews may be held with the student(s), the threat maker, parents and staff to determine the level of risk and develop an appropriate response to the incident. Intervention plans will be developed and shared with parents, staff and students are required.

Can I refuse to participate in a threat assessment process?

It is important for all parties to engage in the process. However, if for some reason there is a reluctance to participate in the process by the threat maker or parent/guardian, the threat assessment process will continue in order to promote a safe and caring learning environment.

TERRY FOX RUN & COIN DRIVE

On your mark....get set....RUN!!! This year's Terry Fox Run will be held on Friday, **September 27th 1:00-2:00**. After a few words and a warm up in the gym, Promontory students and staff will be running our regular Fitness Run route along with our school track in the memory of Terry Fox and Cancer Research. Students are asked to make sure they have appropriate running attire and have a water bottle with them. (Especially if it is a hot day). If you would like to make a donation to the Canadian Cancer Society, donations can be made at our Annual Meet the Staff Night on Thursday, September 19th or send in coins for our coin drive. More information regarding our coin drive will be sent out closer to the date.

VOLUNTEERS (CRIMINAL RECORD SEARCH)

It is very important that parents, who wish to volunteer at our school, in any capacity, complete a **Criminal Record Search form**. Attendance on field trips, driving students on field trips or to team games, assisting with coaching, working with students in class, or taking in general volunteer service at the school all require that you **complete and turn this form into the RCMP office**. These forms are available at the school office. School Board Policy makes this process a necessity. The positive service parents provide is valued and we encourage you to complete this process in order to enable your involvement.

PARENT DRIVERS

If you wish to be a volunteer driver you will require a Drivers Abstract. This must be completed annually. Please call ICBC, at **1-800-950-1498**. ICBC will ask where you would like the paperwork faxed to, please have it sent to the school at **604 824-4891**.

CHILD CUSTODY/COURT ORDERS

Please make the classroom teacher and the office staff aware of any concerns of this nature that impact upon your child's family situation. **The office must have current copies of court orders, custody access documents, and/or documents that limit or restrict access**, in order for the school staff to support enforcement.

VISITORS TO THE SCHOOL

All Visitors and Volunteers at our school must stop at the office to check in. Volunteers are asked to wear a Volunteer Badge.

ARRIVAL/DISMISSAL

Supervision of students begins at 8:10 am. Students are expected to wait outside until the 8:20 entry bell. We ask that students do not arrive at school before 8:10. At dismissal, please put into place a routine that will allow your children to meet you outside. Staff are on duty until 2:30 pm. Our students are asked to not use the front door as an entry (only if arriving late) or exit door. The front lobby is too busy to have this used in this fashion.

As our hallways are very crowded at the start and the end of the day, we ask that parents wait outside in their prearranged meeting area to meet their child.

REPORTING STUDENT ABSENCES

For the safety and security of the children, **if your child is going to absent or late, please call or email the school to let us know.** If you are **calling outside our office hours (7:30 – 3:30), please leave a message on the answering machine indicating the following information: Date, Late or Absent, Child's Name, the length of absence, and the Teacher's Name.** You can email the classroom teacher or Mrs. Thiessen diane_thiessen@sd33.bc.ca. In the event that we have not been previously informed of your child's absence via a phone call or note, you will receive an email or phone call to confirm your child's absence.

STUDENT ATTENDANCE

Classroom instructional time is very valuable! **In order to successfully learn, students must attend regularly and be on time!** We inform our students that school is their job, and like adults, they are expected to be at work and be there on time. **Please make every effort to reinforce regular and prompt arrival to school.** Patterns of regular nonattendance, or lateness, will impact learning and parents will be contacted by phone or letter seeking support in promoting regular, prompt attendance. School starts at 8:23. **If your child arrives**

after 8:30 am they will require a late slip from the office, which will then be given to the teacher.

SIGNING YOUR CHILD OUT

If, during the day, you wish to take your child out of school (i.e., Doctor/Dentist or other appointments), **please come to the office and sign your child out.** The office will then call your child's class to have your child come down. It is very important for us to know when a child has left the building/grounds. **Upon returning the same day, please come to the office and sign your child back in.**

MESSAGES FOR STUDENTS

During class time we make it a practice to minimize classroom disruptions to teachers and students. Learning time is important. **If you have a message for your child during instructional time, please leave a message with our secretaries. We will be sure they receive it.** Students are not to use our school phone for personal reasons (i.e., to arrange play dates). These types of arrangements are the students' responsibility and are to be made at home prior to coming to school.

PLEASE DO NOT EMAIL OR TEXT YOUR CHILDREN DURING SCHOOL/CLASS TIME. OUR STUDENTS HAVE BEEN ASKED TO TURN OFF and PUT AWAY PHONES UNLESS DIRECTED BY TEACHERS TO USE AS AN INSTRUCTIONAL TOOL AND UNDER THEIR DIRECT SUPERVISION.

Family Accident Reimbursement Plan Voluntary Insurance

Our insurance partner, iA Financial Group, is now offering a new comprehensive accident insurance plan with a critical illness component designed for the whole family.

The Family Accident Reimbursement Plan is ideal for supplementing costs not covered by your provincial health insurance or existing employer extended health and dental plans. Regardless of the size of your family, all eligible family members can be insured under one set monthly rate.

Your coverage also includes a critical illness component, which pays out a lump-sum amount if any of the covered individuals are diagnosed with one of the covered conditions. Plus, the money can be spent however you need. Use it to pay medical expenses, take care of bills or cover income lost due to recovery. That's one less thing to worry about while you or someone in your family recovers from a serious illness.

Key Benefits

LUNCHES

If you drop off lunch for your child, please bring it to the office with their name on it. We will arrange for your child to receive the lunch so as to not interrupt class time.

CELL PHONES

There are a number of students who, for purposes of family safety, have cell phones. Students may call home when they arrive at school and when they are leaving. After that, cell phones are expected to be turned off and put away in a backpack. Students are not to use the cell phone camera/video option unless there is an educational purpose, and may only be used with consent, and under the direction of the classroom teacher. There are district policies that apply to the use of both school and personal devices when used for educational purposes at the school. These practices will be adhered to. It is expected that the use of Social Media at school adheres to these policies. Students will be expected to have completed the Acceptable Use Agreement prior to any use of technology for educational purposes at the school. These forms were sent home electronically last June and we will be sending out reminders again soon.

ELECTRONIC TOYS AND GADGETS

We ask that students **leave their electronic toys and gadgets at home. We expect that students do not use them at school** (electronic games, etc.) On occasion, things can get damaged and/or go missing and it is difficult for us to be responsible for following up on these incidents.

DOGS AT SCHOOL

As your pet is in the presence of children, and both dogs and children can be unpredictable, it is often the best choice to leave pets at home. Any dog at the school must be on a leash and controlled by an adult. Please be very cautious as you are near children, or if students ask to pet your dog. Please keep your pet a safe distance from other dogs. You are asked to not have dogs mixing with children during play times; recess and lunch. During suitable weather, the fields are used by our students. We ask that families with dogs do not use the field during school hours as an area for their pet to play. Please do not bring dogs into the building, unless it is for Show & Tell and is prearranged with the classroom teacher, or a trained/licensed service dog. Once

on the school grounds it is the responsibility of the parent to maintain control of the family pet.

SMOKING ON PREMISES

It has been **district policy to ban smoking on school premises**. Provincial legislation (Bill 10: The Tobacco Sales Amendment Act, 2007, Section 2.2 of the act), **prohibits all persons from smoking or using tobacco, or holding lighted tobacco in, or on school property. This applies to activities on site in the evening as well (PAC Meetings, concerts, team activities, Family Fun night, etc.).** Thank you for your cooperation in respecting this legislation.

BIKES, SCOOTERS & OTHER WAYS OF ROLLING TO SCHOOL

A reminder to our students, that bikes and scooters are meant as a way to get to and from school, and are not to be used on the school grounds. When bringing bikes to school, walk bikes/scooters on the side walk, directly to the bike racks. It is strongly advised that bikes/scooters be locked to reduce the possibility of theft. Students are expected to wear bike helmets when riding bikes/scooters to school. Scooters will not be permitted into the building for storage. Students will be required to store scooters at the bike rack and be responsible for locking and securing them. Please leave skateboards/long boards at home.

IN/OUT DAYS

WE WILL GO OUTSIDE MOST DAYS. With the fall weather on its way, we can expect more frequent wet, windy weather. Even on days with drizzle or light rain children will be sent out for a period of time to get fresh air. The day is long and children do crave exercise and fresh air. **PLEASE ENCOURAGE YOUR CHILDREN TO MAKE RESPONSIBLE CHOICES AND ENSURE THEY ARE DRESSED PROPERLY FOR THE WEATHER.**

CHILDREN THAT ARE ILL

Everyone is mindful of how quickly illness can spread through a class or the school. It is important to note that **if your child is ill, keep them home.** Please **do not send a sick child to school** hoping that they may get better. Err on the side of caution, and **keep your child home to help prevent others from becoming sick.**

FRUIT & VEGGIE PROGRAM

Our school is involved in a province-wide healthy living initiative. One of the goals is to encourage healthy eating by providing fresh BC fruits and vegetables to our students during class time. Our students will receive these healthy treats 13 times over the school year at no charge! Free milk or soy milk will also be delivered again. A percentage of +Milk delivery will be fortified soy beverage for people with lactose

sensitivities. We are in need of parents to sort and wash the produce before we deliver it to students. Please contact Mrs. Kasper if you are able to help with this. To ensure every student's health and safety please contact the office or email lisa_vandalfsen@sd33.bc.ca

ONLY if you do NOT wish your child to participate AND/OR if you need to alert us to certain FOOD ALLERGIES.

LIBRARY NEWS

LIBRARY HOURS: The Library finally reopens Monday Sept 9, 2019.

Regular Operating Hours:

- Opens ten minutes before the morning warning bell.
- At Lunch time on Tuesday, Wednesday and Thursday.
- Afterschool for at least 15 minutes each day.

LIBRARY VOLUNTEERS: We always need help in the library! Please contact Mr. Mueller if you are able to volunteer this year. He can fit you onto the schedule whenever you are available. There is a wide range of jobs including shelving books, and various book processing duties. No experience necessary. The faster we can get books out to the students the better. Email: matthew_mueller@sd33.bc.ca
*Please note that all volunteers need a criminal record check. Please see Mr. Mueller or the office for more details.

KIWANIS SUPER READER PROGRAM: Read and earn rewards! The very successful reading program will be back again this year. Students will receive a Super Reader Booklet the second week of school, after their first visit to the library. Every night a child reads for 15 minutes they receive a check mark in their

booklet. Every 50 nights of reading return the booklet back to your classroom teacher for a reading prize. Parents are allowed to back date the booklet as of September 3. Happy reading!

FAMILY READING & BOOK EXCHANGE: Did you know that families on Promontory Hill (includes Busy Bees & preschool) are able to sign up for a library account, whether or not they attend the school? Come and see me to get signed up! Families may have up to 20 books out at one time. Starting on Friday, September 20, parents can come and take books out to have at home. Parents can visit the library Fridays between 8:25 and 8:55. Parents are also welcome to sign out books daily after school.

WE LOVE DONATED BOOKS: Please bring them to the library! We are looking for books that are clean and are in good condition. We will add them to our library, use them in a classroom, use them in our 'Read and Return' books. We have a few new teachers this year and it would be nice to help grow their classroom libraries.

THE BOOKMAN: We have a Promontory Library account set up there. Please donate the credits you receive and we are then able to buy good used books at great prices! Thank you to the families that did that this past year.

MATURE CONTENT BOOKS: If your child would like to take out the 'mature content – teen books' we have in the library, he/she may get a library permission slip. These are books that have some violence, course language or mature subject matter e.g. The Hunger Games or Five Nights at Freddy's Novels. This only needs to be done once, as it is kept on file.

MAKERSPACE NEWS

SCHOLASTIC BOOK FAIR FUNDRAISING: We are pleased to announce that we were able to invest over \$3300 worth of new equipment into our Makerspace after June's Scholastic Book Fair. Check out Promontory's Makerspace Instagram for pictures of the new equipment when it arrives. Thank you for your support. Instagram: Promontorymakerspace

PLEASE NOTE: Due to storage reasons, the library is no longer accepting any used cardboard or plastic containers at this time. Students will be asked to bring in some of their own
