

Kindergarten

News...

Welcome to our Kindergarten class! We are sometimes referred to as “the Red Team” because we wear red coloured pinnies when outside at recess and lunch. Each Kindergarten class has their own colour of pinnie and it really helps supervising adults find our Kindergarten students quickly in case they need any help. There will be a lot of information coming home over the next few days and weeks, please take the time to read it all, especially during this uncertain time of Covid-19. I am really looking forward to getting to know each student in our class (Division 3) and to start building our classroom community. We will have several focal points that run through our year to support our learning time: Storytelling, Mindfulness and Place-based education. Our learning will be experiential and therefore will often happen outdoors. Please let me know if you have any trouble sourcing appropriate outdoor clothing for your child. Thanks for all you do to support your child’s learning at home as well as at school! I am always available to discuss any questions or concerns you may have; feel free to contact me to set up a chance to chat.
