## News...

Happy April!

It is so wonderful to have our days warming up and the spring flowers blooming all around us! April showers are frequent however, and I encourage you to check your child's backpack daily for extra socks and pants when puddles just can't be left alone! We continue to enjoy our community walks each week and are learning many things about who our community helpers are and what tools they use. We started our Spuds in Tubs unit just before our break and our potatoes are growing so well! We have learned about 'hilling' the plants and we are waiting for the weather to warm up enough to move them outside. They won't be ready for harvesting until June, but it will be exciting to watch them grow! Please feel free to contact me anytime with questions or concerns. Thanks for all you do to support your child's learning at home!

**Mrs. Ferris**

### Important Dates

- 04/16: Hot Lunch
- 04/21: Class Photos
- 04/22: Earth Day
- 04/23: Storybook Character Day
- 04/29: Hot Lunch
- 04/30: No School
- Every Friday is Panther Spirit Day!

### This month's focus

Financial Literacy  
Spring  
Community

### Reminders

- Send back the green Nights of Reading booklets as soon as each page is completed.
- Blue bags will come home on Thursdays, please return them on Fridays.

### At home...

Engage in conversation about Canadian coins, their value and the pictures that are on them. See if your child remembers what the vowels are: "VOWEL BAT" is a clue to help them remember!

### A look at what's next...

This month our sharing theme will be titled, "Antique Roadshow." Students bring in an "antique" item and share what it teaches us, how things have changed and how they have stayed the same.  
Thank you!
