## News...

November seemed to fly past this year! It was so much fun to take our first field trip on the bus! Thanks to the parents who were able to join us! I know our last few weeks before the holidays will go by quickly too, so please continue to check emails for updates on activities and events. There will be a food drive this year, but due to the pandemic, monetary donations are being encouraged rather than non-perishable items. Donations are also being accepted on Munch-a-lunch. With all our wet weather, everyone is getting more proficient at putting on all our warm weather gear 😊. Please help your child learn how to independently put on snow pants before our first snowfall! There will not be a traditional Christmas concert this year, but our music teacher is working on a little video presentation for you to see. Stay tuned!

Needs v. Wants

Body Parts

Patterns

Our five senses

## Reminders

- Please send mitts, hats and rain gear
- Please return blue bags by each Monday to ensure they are sanitized before they are returned to you

## At home...

Please read to your child every night and fill in the green home reading book.

Ask your child about something they learned at school each day.

## A look at what's next...

This month our sharing theme will be about our five senses. Watch for the sharing bag to come home with your child!
