News...

Happy February! We certainly had a fun month of learning and we are ready to jump into February with our heads, our hands and our hearts 😊. We will have several celebrations this month to focus on: Lunar New Year, Valentine's Day, Family Day and Anti-bully day (Pink Shirt day). Further details will come home regarding each of these events. Our continued focus on learning through story will take us back in time to babyhood and what has changed. The students are loving hearing fun stories about their friends! Term 2 interim reports will come home this month. Please let me know if you would like to meet to discuss any questions or concerns you may have about your child's learning. We will continue to explore outdoors in all kinds of weather, please check your child's backpack regularly to ensure they have extra socks and pants. We are also continuing our neighbourhood walks! It has been so much fun to visit everyone's house! Our class is getting very familiar with some of our routes 😊

At home...

Ask your child to tell you something they did each day that showed kindness.

A look at what's next...

This month our sharing theme will be about what has changed since we were babies. When your child brings home the sharing bag, please discuss the questions with them, write down the answers and send back the answers and the laminated sheet. Thank you!
