News...

Happy New Year! I hope everyone had a restful holiday! We have a busy month ahead with a new letter of the day routine, numbers to 10, learning about the scientific method and continuing our discussion about families. We will also begin our neighbourhood walks with the aim of visiting each student's house. It will take a while to build up enough stamina to get to everyone, but we will persevere rain or shine! We will be leaving the school at 8:30 a.m. Please continue to send rain gear and extra clothing as it looks like January will be a very wet month. Popcorn days will continue until the end of January. I will send home another order form at the end of the month for the following few months. Please send a wide mouthed mason jar (500 ml is best) with your child this week – we will be using it for a science experiment.

Mrs. Ferris

Important Dates

01/11: Super Reader Assembly
01/13: Jersey Day
01/22: Hot lunch
01/13,27: Library Day
Every Friday is Panther Spirit Day!

This month's focus

Healthy Foods
Our Neighbourhood
Families
The Scientific Method

Reminders

- Send back the green Nights of Reading booklets as soon as each page is completed.
- Blue bags will come home on Thursdays, please return on Fridays.

At home...

Please read to your child every night and fill in the green home reading book.

Ask your child about something they learned at school each day.

A look at what's next...

This month our sharing theme will be about our families. When your child brings home the sharing bag, please discuss the questions with them, write down the answers and send back the answers and the laminated sheet. Thank you!
