

Kindergarten

News...

Happy May! I simply cannot believe May is already upon us! We will be continuing to focus on financial literacy this month and the students are loving the Grocery Store! Thank you for your contributions. We are planting seeds this month as well as learning about life cycles. We hope to hatch both butterflies and chicks later in the month! We will begin our unit on measurement in Math and will continue with our "brave" writing skills. Please encourage your child to sound out words as they write at home but remember they do not need to be correctly spelled like "book spelling." Whatever sound the child hears is appropriate to print 😊. Our new sharing theme will help us to focus on Place and we will be discussing our homes, mapping and the wider community. There is a lot of learning taking place in each student and testing of their new skills. Please let me know if you have any questions or concerns about your child's learning. Thank you for all you do to support your child's learning at home!

Mrs. Ferris

Important Dates

- 05/14: Hot lunch
- 05/19: Favourite Clothes Day
- 05/21: No school
- 05/24: No school
- 05/28: Show your Canada Pride
- 05/28: Hot lunch
- Every Friday is Panther Spirit Day!

This month's focus

- Plants
- Oviparous Creatures
- Measurement

Reminders

- Send back the green Nights of Reading booklets as soon as each page is completed.
- Blue bags will come home on Thursdays, please return them on Fridays.

At home...

Ask your child about Canadian coins. Can they tell you what they are called? Do they know what they are worth?

A look at what's next...

This month our sharing theme will be about Place - namely, our homes. When your child brings home the sharing bag, please discuss the questions with them, write down the answers and send back the answers and the laminated sheet. Thank you!
