

Kindergarten

News...

As we step into November, we will be continuing to focus on the season of Fall and will take the opportunity to learn outside as often as possible, even in wet weather. It has been so much fun to explore the area around our school and see the changes that are taking place. We are working on number sense to 5, patterns and sorting in Math right now. Playing dice and board games at home can help to reinforce these skills. We are also learning about the structure of stories, the role they play in our lives and how we connect to them. We will practice prediction skills in Science, Math and Language Arts. Social Studies this month we will discuss Remembrance Day and the Rights and Responsibilities of a child. We will have a virtual assembly this year on Nov. 10. We continue to practice good work habits and routines as well as being kind to one another. It is such a joy to watch each student challenge their learning and celebrate each other's successes! Thank you for all you do to support your child's learning at home!

Mrs. Ferris

Important Dates

- 11/02: Photo Retakes
- 11/10: Wear something green
- 11/11: Remembrance Day
- 11/16: No School
- 11/24: Wear something brown
- 11/27: No school

This month's focus

- Connect and Predict
- Rights and Responsibilities
- Patterns
- Seasonal Changes

Reminders

- Please send mitts, hats and rain gear
- Please return blue bags by each Monday to ensure they are sanitized before they are returned

At home...

Please read to your child every night and fill in the green home reading book.

Ask your child about something they learned at school each day.

A look at what's next...

I am hoping to begin our Community Walks early this month. We will chart everyone's home on a map and walk past each student's house. It is a really fun way to get to know our community. We will walk rain or shine!
