

The Little Red Fort

by: Brenda Maier

Challenge:

Build a FORT with your family/siblings/by yourself somewhere in your house! Use any supplies that you have (ex: cushions, blankets, chairs)

Ask: What is the problem?

Imagine/Plan: Draw a picture of your plan.

Now CREATE!

Improve: How can you make your fort even better?

Reflect: (circle "I can not, I kind of can, I mostly can, I fully can")

I can work with others to achieve a common goal.

I can explore materials and actions.
