

Music Choice Board

Choose 1 box a day, or more if you would like. Color in the box when it is completed. Have fun creating music!

I miss all of you so much and can't wait until we are making music together again!

Ms. Solomon

Please feel free to send me any photos, videos etc. of you interacting with music.

My email is lauren_solomon@sd33.bc.ca.

SINGING	PLAYING	MOVING	CREATING
Sing the Hello Song/Welcome Song to someone. Can you teach it to them? Now have a performance of the song!	Practice keeping the steady beat along with any song. Try clapping your hands or stomping your feet to the beat!	Pretend you have paint on your hands and there is canvas all around you. Move to create a beautiful painting.	Create your own song about your friend, a family member, or your family pet.
Call a friend or family member and use only your singing voices to have a conversation!	Find objects in your home that can make high sounds and low sounds. Combine them to make your own pattern.	Listen to your favorite songs and have a mini dance party!	Draw squiggly lines and try making your voice follow the path you created.
Sing your favorite music class songs to your stuffed animals.	Use the instrument you made out of recycled materials to play along to a song of your choice!	Put on some music, and march, skip, or hop to the beat. Change your movement when the music changes.	Make an instrument out of recycled materials. Something you can tap, scrape or shake.
