Books over Winter Break

All library books are due back to school before winter break. Please return all library books during the week of Dec 16th to 20th or earlier. Students will have to read classroom books or books from home during the last week of school. Some intermediates will be allowed to keep one book over the break.

Parental Leave

I will be away after winter break for a few months spending time with my newborn. I plan to return to work a few days before Spring Break. We are trying hard to find someone to fill my role while I am away.

Running our school's library learning commons is a massive job. We are the biggest elementary school in the school district. We have a total of 28 divisions. Our library has over 21,000 books. This new teacher will need everyone's patience and grace as they learn and train on all the systems in place.

While I am away students from Grade 1 – 5 will be able to take out 2 books at a time. Kindergarten students will be taking out 1.

Bookfair

I just want to thank the whole school community for their support during the book fair. We hit a new sales record for our school and as a result can invest \$2000 into our reading program prizes, and other resources for the library learning commons. I am excited to purchase new 150 nights toys for this year and more new prizes for next year!

Bookman

We have a Promontory Library account set up there. Please donate the credits you receive, and we are then able to buy good used books at great prices!

Reading Link Challenge

Get ready to join in the fun and participate in the sport of reading! Promontory will be participating in the FVRL Reading Link Challenge again this year. This competition is open to students in Grade 4 and 5 who are strong readers.

Last year our school won both the Chilliwack and Fraser Valley Challenges. Can we do it again this year?

How does the FVRL Reading Link Challenge Work? - Students will read up to 6 specially selected books. Their job is to pay attention to the details of the story. Students then practice with their teams by taking turns asking and answers questions. All questions will be short answer, multiple choice, and true or false questions. Parents can help too! Read the books. Encourage your child. Help quiz your child about the details of the books. For more information visit:

www.readinglinkchallenge.ca

Reading Link Challenge

We currently have FIVE copies of each book at the Promontory Library. Additional copies are also available from the FVRL Chwk and Sardis Branches. The Chilliwack Library has acquired 10 additional copies of each of this year's RLC titles! These copies are not catalogued like the rest of the collection, but instead live at the Information Desk at the Chilliwack Library (the downtown branch). Students can get a copy by going down to the library and talking to one of the friendly staff members.

Also, there are ebooks, & audio books for some titles, which can be found on FVRL Tumblebooks or from FVRL Overdrive site.

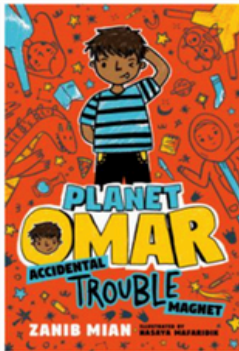

Students that participate in the RLC will get to keep their books over winter break.
