How does Super Reader Program Work?

Every night a child reads for 15 minutes they receive a check mark in their green reading log booklet. Every 50 nights of reading, please return the booklet back to your classroom teacher for a reading prize. If your child has lost or misplaced their green Super Reader booklet, some extra recording sheets are available outside the office, across from the library. You can also send a note or an email to your child's classroom teacher once they have reached a level.

Prize Alert

The earliest date for 200 nights is April 2. At 200 nights students win a brand-new book! Our Book Fair credit has been invested into new book prizes to give away. Grade 4 and 5 students will have a chance to claim a new graphic novel. All prizes are first come, first serve. We are currently all out of green books, but recording sheets are available at the office and library. A recording sheet has also been attached to this newsletter. Please print off and use.

Book Fair Contest

Every student that reaches 150 nights and 200 nights of reading will have two chances to win a shopping spree at the Scholastic Book Fair in June. There will be two \$25 shopping sprees available. One will be awarded to students in grades K-2 and another for students in grades 3-5. More details about the contest will be shared during the month of April.

The Bookman

We have a Promontory Library account set up there. Please donate the credits you receive and we are then able to buy good used books at great prices! Thank you to the families that did that this past year.

Mature Content Books

If your child in Grade 4 or 5 would like to take out the 'mature content -preteen/teen books' we have in the library, he or she may get a library permission slip. These are books that have some violence, coarse language or mature subject matter e.g. The Hunger Games, Maze Runner Five Nights at Freddy's, and some various comic books and Japanese manga series (Maximum Ride, Dragon Ball Z, My Hero Academia). This only needs to be done once, as it is kept on file.

The school competition was held March 14th. The team that had the most correct answers was named Promontory Champions, and will get to move on to the next level of competition versus other schools in Chilliwack. The teams are listed below in no particular order.
